

ACTIVITIES FOR THE YEAR 2024-25

NRM Interventions

Repair / Renovation of existing water harvesting structures, drainage channels etc.

S. No.	Villages	Intervention	Dimensions	No. of units	No. of farm households involved
1.	Lepa	Check dam repairing	50m * 20 m* 3m & 30m * 10m* 2m	01	34
2	Chikili, Nada	Desilting of farm pond	80m * 35 m	02	16
3	Chopara, Chikili, Nada, Lepa	Renovation of well			12
		Total		03	62

In situ conservation – Resource Conservation Technologies (RCTs), etc.

S. No.	Villa ge	Intervention	Coverage Proposed		Remarks
			Area (ha)	No. of farm households involved	
1	Chopara, Chikili, nada, Lepa	Direct sowing of Rice	10	30	To cope up with dry spell
2	Chopara, Chikili, nada, Lepa	Ridge & furrow practices in Maize, Cowpea	05	15	Moisture conservation
3	Chopara, Chikili, nada, Lepa	Poly mulching in Tomato, Brinjal	0.5	10	Moisture conservation
4	Chopara, Chikili, nada, Lepa	Green manuring with Dhanicha	15	40	Moisture conservation & acidic soil reclamation
	Chopara, Chikili, nada, Lepa	Raising of farm bund ht.	4	40	Increasing water use efficiency
		Total	34.5	135	

Crop Interventions

Stress tolerant / improved varieties / Short duration / Legume crops, etc..

S. No.	Village 1,2,3 etc.	Intervention	Description		Coverage	
			Crop	Variety (s)	Area (ha)	No. of farm households involved
1.	Chopara, Lepa, Chikili, Lepa	Drought tolerant/short duration var.	Rice	sahabhagidhan	10	30
2.	Chopara, Lepa, Chikili, Lepa	Drought tolerant medium duration var.	Rice	Swarna Shreya	20	60
3	Chopara, Lepa, Chikili, Lepa	Flood tolerant var.	Rice	Swarna sub-1	10	30
4	Chopara, Lepa, Chikili, Lepa	YMV tolerant var.	Greengram	Virat	20	60
5	Chopara, Lepa, Chikili, Lepa	Ridge & furrow system	Maize/Sweet corn	Kalingaraj/Sugar-75	06	24
		Total			66	204

Improved agronomic practices and other crop interventions, etc.

. No.	Village	Intervention	Description		Coverage	
			Crop	Variety (s)	Area (ha)	No. of farm households involved
•	Chopara, Lepa, Chikili, Lepa	Bund planting of Pigeonpea	Pigeon pea	LRG-52	02	20
•	Chopara, Lepa, Chikili, Lepa	Wilt tolerant	Tomato	Arka rakshyak	01	10
	Chopara, Lepa, Chikili, Lepa	Wilt tolerant	Brinjal	Swarna Shyamali	01	10
	Chopara, Lepa, Chikili, Lepa	IFS	Crop, vegetables		04	08
		Total			08	48

Capacity Building Programme

Theme	Title of training programme	No. of participants
IPM	Management of Pest & diseases in paddy	25
IPM	IPM in Greengram	25
Income generation	Goat rearing	25
Resource conservation	Vermicomposting, use of Bio-Fertilizer in diff. crop	25
Feed management	Application of Floating feed in Pisciculture	25
Quality planting material	Nursery raising , Grafting techniques of veg. & fruits	25
ICT in Agriculture	Role of ICT in changing climate scenario	25
	Total	175

Other extension activities

Theme	Title of Programme	Proposed month	No. of participants
Field day	Rainfed up land farming system	Oct.	50
Field day	Rainfed medium land farming system	Nov.	50
Field day	Irrigated medium land farming system	Nov.	50
Awareness on improved technology	Exposure visit	September	30
	Total		180
