Off- Campus Training Programmes for Farmer/ Farm Women

Sl.No.	Title of the Training Programme	Date	Discipline
1.	Fodder crops and its importance in livestock	19.05.2020	Animal Science
2.	Integrated crop management in Maize	08.06.2020	Agronomy
3.	Integrated crop management in ragi	11.06.2020	Agronomy
4.	Feeding management in cattle	18.06.2020	Animal Science
5.	Soft type Jackfruit leather preparation	18.06. 2020	Agro-forestry
6.	Improved techniques of Seed treatment in Groundnut	19.06. 2020	Agril.
			Extension
7.	Integrated Crop Management in Rice	24.06. 2020	Agronomy
8.	Integrated Nutrient Management in Ragi	04.07.2020	Agronomy
9.	Weed management in direct seeded rice	06.07.2020	Agronomy
10.	Integrated crop management in Brinjal	08.07.2020	Horticulture
11.	Need of AI and breeds/ management practices/ feeding, housing and health aspects	10.07.2020	Animal Science
12.	Integrated Nutrient Management in Rice	17.07.2020	Agronomy
13.	Planning and layout of kitchen garden	20.07.2020	Home Science
14.	Integrated Pest Management in Maize	21.07.2020	Plant Protection
15.	Integrated Pest management in Okra	22.07.2020	Plant Protection
16.	Integrated Weed management in Okra	22.07.2020	Agronomy
17.	Market linkage for smallholder farmers	22.07.2020	Agril.
			Extension
18.	Cultivation practices of paddy straw mushroom in threshed straw	24.07.2020	Home Science
19.	Yearlings production practices	28.07.2020	Fishery Science
20.	Growing Eucalyptus for industrialization	30.07.2020	Agro-forestry
21.	Integrated Disease Management in Ragi	12.08.2020	Plant Protection
22.	Agro silvi pastural system	19.08.2020	Agro-forestry
23.	Disease and mould management in Paddy straw mushroom	19.08.2020	Home Science
24.	Duck farming and management	21.08.2020	Animal Science
25.	Integrated Pest Management in Rice	25.08.2020	Plant Protection
26.	Integrated Disease Management in rice	26.08.2020	Plant Protection
27.	Orientation & awareness programme on farmers clubs- formation	26.08.2020	Agril. Extension
28.	Community based pisciculture	26.08.2020	Fishery Science
29.	Integrated Disease Management in rice	26.08.2020	Plant Protection
30.	IDM in Blackgram	02.09.2020	Plant Protection
31.	Cultivation of sweet potato	08.09.2020	Home Science

32.	Alley cropping system	16.09.2020	Agro-forestry
33.	Income generation through agricultural and allied	22.09.2020	Agril.
	agricultural sector.		Extension
34.	Market linkage for smallholder farmers	23.09.2020	Agril.
			Extension
35.	Package of practices of tomato cultivation	24.09.2020	Horticulture
36.	General Forest seedlings nursery techniques	07.10.2020	Agro-forestry
37.	Integrated management in Pigeonpea	20.10.2020	Plant Protection
38.	Orientation & awareness programme on farmers	21.10.2020	Agril.
	clubs- formation		Extension
39.	Care and management of pregnant does & kids	22.10.2020	Animal Science
40.	Cultivation practices of different varieties of Oyster	12.11.2020	Home Science
	mushroom		
	Intermeted Book many and the Chilling	10 11 0000	D1 (D ()
41.	Integrated Pest management in Chilli	13.11.2020	Plant Protection
42.	Integrated weed management in Maize	16.11.2020	Agronomy
43.	Major fish Disease diagnosis and its treatment	18.11.2020	Fishery Science
44.	Brooding management in backyard poultry	18.11.2020	Animal Science
45.	Orientation & awareness programme on	18.11.2020	Agril.
16	Management of SHG Orientation & awareness programme on Management	26.11.2020	Extension
46.	Orientation & awareness programme on Management	/h / /	Agrii
		20.11.2020	Agril.
	of SHG	20.11.2020	Extension
	of SHG		Extension
47.	of SHG Integrated nutrient management in sunflower	02.12.2020	Extension Agronomy
	of SHG		Extension
47.	of SHG Integrated nutrient management in sunflower	02.12.2020	Extension Agronomy
47. 48.	of SHG Integrated nutrient management in sunflower Marigold cultivation	02.12.2020 02.12.2019	Extension Agronomy Home Science
47. 48. 49.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe &	02.12.2020 02.12.2019 15.12.2020	Agronomy Home Science Plant Protection
47. 48. 49. 50. 51.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science
47. 48. 49. 50. 51.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding Fish-cum-livestock & poultry farming system	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020 23.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science
47. 48. 49. 50. 51.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science Agril.
47. 48. 49. 50. 51. 52. 53.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding Fish-cum-livestock & poultry farming system Improved techniques of Seed treatment in Greengram	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020 23.12.2020 28.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science Agril. Extension
47. 48. 49. 50. 51.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding Fish-cum-livestock & poultry farming system	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020 23.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science Agril.
47. 48. 49. 50. 51. 52. 53.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding Fish-cum-livestock & poultry farming system Improved techniques of Seed treatment in Greengram Agro-techniques in bitter gourd cultivation	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020 23.12.2020 28.12.2020 29.12.2020	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science Agril, Extension Horticulture
47. 48. 49. 50. 51. 52. 53. 54.	Integrated nutrient management in sunflower Marigold cultivation Integrated Disease management in Brinjal Growing Acacia mangium for profit maximization Buck management/ Kid management/ Doe & Pregnant management/ Housing, Health, Feeding Fish-cum-livestock & poultry farming system Improved techniques of Seed treatment in Greengram Agro-techniques in bitter gourd cultivation Integrated Pest management in Tomato	02.12.2020 02.12.2019 15.12.2020 16.12.2020 17.12.2020 23.12.2020 28.12.2020 08.01.2021	Agronomy Home Science Plant Protection Agro-forestry Animal Science Fishery Science Agril. Extension Horticulture Plant Protection

	technology dissemination in grass root level.		
61.	NTFP production & uses	20.01.2021	Agro-forestry
62.	Income generation through agricultural and allied agricultural sector.	22.01.2021	Agril. Extension
63.	Cage and pen culture in reservoir	24.01.2021	Fishery science
64.	Improved techniques of Seed treatment in Sesame	28.01.2021	Agril.
			Extension
65.	Value addition of Oyster Mushroom	11.02.2021	Home Science
66.	Orientation & awareness programme on	25.02.2021	Agril.
	Farmers Producers Organization		Extension
67.	Preparation of low cost supplementary food for children	25.02.2021	Home Science
68.	Scientific method of yam cultivation	02.03.2021	Horticulture
69.	Minimization of nutrient loss in processing and	10.03.2021	Home Science
	preservation		
70.	Integrated Disease Management in Yam	11.03.2021	Plant Protection
· · · · · · · · · · · · · · · · · · ·			

On- Campus Training Programmes for Farmer/ Farm Women

Sl.No.	Title of the Training Programme	Date	Discipline
1.	Packages of practices on Groundnut cultivation	29.06.2020	Agronomy
2.	Package of practices of Chili	18.08.2020	Horticulture
3.	Off season cauliflower cultivation	11.09.2020	Horticulture
4.	Soil and water quality test based application of Aquafers for Soil and water quality management in fish pond	14.10.2020	Fishery Science
5.	Management of vegetable nursery	15.10.2020	Horticulture
6.	Package of practices in Greengram	06.11.2020	Agronomy
7.	INM in cole crops	11.11.2020	Horticulture
8.	Use of small implements for drudgery reduction	18.12.2020	Home Science
9.	Integrated Pest management in Brinjal	23.12.2020	Plant Protection
10.	Preparation of low cost farm-made feed	29.12.2020	Fishery Science
11.	Integrated Pest management in cole crops	06.01.2021	Plant Protection
12.	Production technology pod vegetables	12.02.2021	Horticulture
13.	Integrated Pest management in Cashewnut	14.02.2021	Plant Protection

Training Programmes for Rural Youths

S1.No.	Title of the Training Programme	Date	Discipline
1.	Quality seed production	04.08.2020 to 05.08.2020	Agronomy
2.	Entrepreneurship development through pisciculture	13.08.2020 to 14.08.2020	Fishery Science
3.	Commercial nursery raising	04.09.2020 to 05.09.2020	Horticulture
4.	Mushroom spawn production	14.09.2020 to 15.09.2020	Home Science
5.	Value chain management For profitable Agribusiness	21.09.2020 to 23.09.2020	Agril. Extension
6.	Brooding management in backyard poultry	28.09.2020 to 30.09.2020	Animal Science
7.	Raising of planting material from bamboo culm cutting	16.11.2020 to 17.11.2020	Agro-forestry
8.	Integrated fish farming	08.12.2020 to 11.12.2020	Fishery Science
9.	Honey bee rearing	15.12.2020 to16.12.2020	Plant Protection
10.	Vermicomposting	05.01.2021 to 6.01.2021	Agronomy
11.	Value addition of vegetable and fruits	13.01.2021 to 16.01.2021	Home Science
12.	Plant products & ITKs for pest control	21.01.2021to 22.01.2021	Plant Protection
13.	Scientific goat rearing/ Husbandry practices	28.02.2021 to 03.03.2021	Animal Science
14	Protected cultivation of vegetable	04.03.2021 to 05.03.2021	Horticulture

Training Programmes for In- Service Personnel

Sl.No.	Title of the Training Programme	Date	Discipline
1.	ICT-led knowledge management and	25.08.2020	Agril. Extension
	usage patterns in Agriculture		
2.	Food and nutritional security through	11.09.2020 to 12.09.2020	Home Science
	kitchen garden		
3.	Feed management in pisciculture	17.10.2020	Fishery Science
4.	Crop diversification for sustainable	19.11.2020	Agronomy
	income		
5.	Importance of postmortem and	23.11.2020 to 24.11.2020	Animal Science
	diagnostic methods in livestock		
6.	Integrated Pest Management in Rice	15.01.2021	Plant Protection
7.	Physiological disorders in vegetables	11.03.2021	Horticulture
8.	Dietary management for pregnant and	24.03.2021 to 25.03.2021	Home Science
	lactating women
