

		Thematic area: Integrated Farming System Title:- Integrated Farming System- Call of the Hour for Sustainable Income Name:- Sri Mahendra Kumar Nayak Village:-Lepa District:-Ganjam Mobile no:- 08093367505					
Personal Profile		Description of achievements/venture					
Age	43 years	Sri Mahendra Kumar Nayak, hailing from Lepa village of Jagannath prasad block in the district Ganjam has set himself as a role model for the cash strapped farmers in the state, thanks to synergistic integration of enterprises and optimum resource utilization. His traditional farm had crops like Paddy (2ha) & Maize (1ha.) in Kharif only. However, the support from KVK, Ganjam-I, here helped him to go for integrating high yielding Paddy varieties, vegetables along with bee keeping, vermi composting and dairy Sri Nayak incorporated the components in such a way that it enhanced productivity and profitability in relation to the farming system model practiced. He cultivated Paddy in kharif (2ha.), Sweet corn (1ha.) and vegetables (1ha.- Brinjal-0.5 ha. & Tomato-0.5 ha.)) in Kharif & in Rabi- Sun flower-1 ha.,Cabbage -0.6 ha., Groundnut-0.4 ha. & Green gram- 1ha. He has 2 nos. of cross-breed cows and produces 16 liters of milk daily. He has also set up 10 honey bee colonies (<i>Apis Cerana Indica</i>). He got a net profit of Rs.4. 52 lakhs annually from all the enterprises.
